

**COLLEGE OF EMPORIA
REUNION 2020
RED WHITE AND YOU**

As your class representatives we would like to inform you that a C of E reunion is scheduled for October 9th– 11th, 2020 in Emporia! The registration form with details about this upcoming reunion is also enclosed. Hopefully our alumni, nationally and internationally, will click their heels together and return to Emporia for our Reunion Weekend 2020. This is a wonderful opportunity to revisit the Emporia of yesterday we remember it, as well as the Emporia of today.

The spirit of the College of Emporia is kept alive at our reunions! It is also the time to rekindle past feelings for those years and to reunite with other College of Emporia alumni. It may have been a small part of our lives yet those experiences have been a large part of who we have all become. The passage of time may make our recollections a bit foggy so plan on joining in a wonderful weekend where the reconnections may ring reminder bells of those pep rallies, football and basketball games, Toppers, hibernating in the science hall, “Sin City” and Village Apartment parties, Rockin’ Out on Friday’s at *Renfro’s*, *Blaylock’s* after hours, hiding six packs under an unsuspecting house porch as dorm contraband for pick up later, corn dogs at SONIC, panty raids, fries and a coke at *Peter Pan*, those “fancy” dances during homecoming and the holidays! Let’s not forget to mention having dress codes, dorm hours and demerits.

Some weekend events, to name just a few, will be the Friday mixer at the Granada Theater, Lyon County Historical Society with a special C of E exhibit opening with a cocktail hour followed by our Saturday evening dinner and dance. Weekend tours may include ***Scandalous Emporia*** and ***Haunted Emporia*** and a tour of Kenyon Heights (the repurposed Kenyon Hall). We have hopes of revisiting the “People of the Dome” in the Anderson Memorial Library with a walk around Lake Mergandahl in C of E Park.

Please contact us with your updated contact information including: address, email and phone (optional).

We’ve included links to hotels w room blocks, hotels w/o blocks, rentals in Emporia as well. Also included are locations for luncheons and places to plan to get friends to meet and relive memories and know that –
